LEAF VACUUM SERVICE

-  Leaf vacuuming service will be offered on Wednesdays starting 10/24 and ending on 11/28. Please be aware that due to the volume of leaves any particular week, the leaf collection truck may not always arrive at your home the same time each week. Please have your leaves ready for pickup by 6:30 a.m. on Wednesday.
-  **INSTRUCTIONS:** Leaves should be raked into a pile or row within 3 feet of the curb but remaining well off the street. Please make sure to keep the leaves on the parkway and not in the street. Please do not mix large tree branches, grass, or brush with your pile of leaves as these items will damage the vacuum truck. **If the weather won't cooperate & there is bad weather on a Wednesday, the leaves will be picked up the very next day or ASAP.**

KEEPING OUR STREETS CLEAN!

Please do not blow leaves or grass clippings into the street as it clogs the sewers.

Clothing and Textile Collection and Reuse-A-Shoe Program

Did you know that our Village participates in the Clothing and Textile Collection and the Reuse-A-Shoe Programs? Our clothing and textile collection bin is at the Public Works Building right next door to the Village Hall. Drop off new and gently used clothing items anytime and help save the landfills. Inside the Village Hall is a Reuse-A-Shoe drop off bin. Shoes may be in any condition for drop off. Please secure each pair of shoes together by either tying the laces together or place a large rubber band around them.
