

Candidates,

This is a friendly reminder regarding the Open House for candidates running in the April 2 election. Due to a conflict in one contested race, we have added another evening meeting for Grayslake High School District 127 school board candidates. We felt this was imperative as all current sitting candidates have been scheduled for a committee meeting. The only candidates that received the March 20th date were Grayslake High School candidates. I want to make sure to dispel any confusion and ask for all candidates to email or call to let me know your plans to attend or not attend. This is important as we have to set up the hall for the event. So let me begin with the event details.
