

Village of Hainesville e-billing Authorization Agreement

 ELECTRONIC BILLING SAVE TREES 

Help your Village and the environment by saving time and money with the costs of paper, envelopes, cartridge ink, postage and staff time.
Sign up for e-billing today!

The EPA reports that more than half of all mail is not recycled; it ends up in the trash or cluttering up your home. Electronic billing saves trees, eliminates waste that would otherwise end up in landfills, and reduces industrial water consumption and greenhouse gas emissions.

**Please return this completed form to the Village of Hainesville.
You can do this via email: kellyhensley@hainesville.org
Fax: 847-223-2274 or drop box.**

Name on the Utility Bill (Please Print)

Water/Sewer Bill Account Number

Service Address

Email Address

Phone Number

Signature

Date

I/we understand that it is my/our responsibility to pay the utility bill each month and I/we agree to immediately notify the Village if my/our email address or other contact information changes.

To ensure your privacy and security, we use the strongest type of encryption used on the Web. Also, we will NEVER share your email address with ANYONE.
