AUGUST 2020

For some it is, Back-To-School Time! So please SLOW DOWN and be watchful of children traveling to and from bus stops. Don't forget to STOP for school buses!

IT'S THE LAW.

To the residents who fish in the village ponds, please do not leave any fishing line, hooks, lures, etc. at the pond when you are through fishing. Recently we have had to deal with waterfowl being entangled in discarded line and a dog that stepped on a cast aside fishing hook.

THANKS.

For information regarding SWALCO's programs on Local Composting Guidelines and Residential Food Scrap Composting Programs and Drop off Locations, go to our website's home page and on the left-hand side click "Garbage and Recycling" then click on "SWALCO".

The Village of Hainesville/SWALCO have started collecting textiles again. The collection box is located in the south east corner of the Public Works Parking lot. That's the corner closest to Hainesville Road and North Street.

NO SURPRISE

Our annual garage sale will have to wait till next year. This is the first time in 16 years that we will have to cancel. Save your "goodies" for next year. We will make it even bigger and better. Be well. Stay safe. Trustee Georgeann Duberstein

HAINESVILLE CIVIL WAR RE-ENACTMENT CANCELLED

Due to the Lake County and State Health Department restrictions, this year's Civil War event in October is CANCELLED. We plan to hold it again October 16 & 17, 2021.

DID YOU KNOW YOU CAN DO ALL OF THIS WITH YOUR VILLAGE UTILITY BILL?

- **RECEIVE YOUR UTILITY BILL VIA EMAIL (PAPERLESS)** - help your Village and environment by saving time and money with the costs of paper, envelopes, cartridge ink, postage and staff time. Your bill is emailed the day it is produced.
- **SET UP AUTOMATIC DEBIT PAYMENTS** – You choose which bank account is used to pay your bill. A bill is produced and emailed/mailed so you know exactly how much will be deducted. Money is not taken out of your bank account until the due date! Avoid those penalties and sign up today!
- **HAVE ONLINE ACCESS TO REVIEW YOUR UTILITY ACCOUNT AND TO MAKE A PAYMENT.** Misplaced your bill? You can view your account online to see your balance and review your history. Your PIN number is required to access your account. The PIN is on the Upper Right Hand Side of your Utility Bill or call the office for the PIN. While reviewing your account you may make your payment at this time as well.
- **SET UP CREDIT / DEBIT CARD RECURRING PAYMENTS** – Our online payment processor, Point and Pay, offers the option to set up a recurring electronic payment using a CREDIT or DEBIT CARD. Many residents enjoy this feature! Set up your credit card account and earn those points!

To learn more about these FREE RESIDENTIAL services and to sign up for any of the above visit our website at www.hainesville.org, select Water & Utilities for further information.
