## PAPERLESS UTILITY BILLING

At the January 25<sup>th</sup> meeting, the Village Board decided to move to e-billing for our monthly utility billing process. **This decision requires that residents fill out our E-Billing Authorization Form.** This form may be found on our website, [www.hainesville.org](http://www.hainesville.org). Click the "Water & Utilities" button, scroll down to "Paperless Utility Billing," click "here," fill in the form and click "Submit." If you choose not to go paperless, you will be charged \$5 per month to receive a paper bill.

The Village sent a letter to all of our Utility Customers explaining the new e-billing process. The letter included, the last sign-up date (April 25<sup>th</sup>, 2022), the program commencement date (May 1<sup>st</sup>, 2022) and a phone number to call if there are any questions or concerns. If a resident does not have an email address, they will be exempted from the fee. Other requests will be reviewed on a case by case basis by the Mayor.

For those of you who have not yet done so, we strongly encourage you to sign up for our Automatic Debit payment option using a checking or savings account.
