## PAPERLESS UTILITY BILLING

At the January 25<sup>th</sup> meeting, the Village Board decided to move to e-billing for our monthly utility billing process. **This decision requires that residents fill out our E-Billing Authorization Form.** This form may be found on our website, [www.hainesville.org](http://www.hainesville.org). Click the “**Water & Utilities**” button, scroll down to “**Paperless Utility Billing**,” click “**here**,” fill in the form and click “**Submit**.” If you choose not to go paperless, you will be charged \$5 per month to receive a paper bill.

The Village sent a letter to all of our Utility Customers explaining the new e-billing process. The letter included the last sign-up date (April 25<sup>th</sup>, 2022), the program commencement date (May 1<sup>st</sup>, 2022) and a phone number to call if there are any questions or concerns. If a resident does not have an email address, they will be exempted from the fee. Other requests will be reviewed on a case by case basis by the Mayor.
