

## Hainesville's Civil War Event

### Historical Challenge

Instructions: After obtaining this form from the information booth, find and interview the below listed re-enactors to learn their historical FUN FACT and enter it on this form. When you have completed the fun fact for each re-enactor, return to the information booth for review of your document. If you have completed this form satisfactorily, you will be awarded a Certificate of Recognition suitable for framing. With the exception of the re-enactors playing Clara Barton and Dr. Bucher, all re-enactors to be interviewed are giving talks in the presentation tent and will announce their fun fact at the end of their talk. They, along with Clara Barton, will also be mingling with the public throughout both days and can be interviewed there in case you've missed their talks. Dr. Bucher can be found at the 17<sup>th</sup> Corps Hospital tent. A schedule of events listing when each re-enactor talks, as well as the location of the presentation tent and the 17<sup>th</sup> Corps Hospital tent, can be found in your event program which is provided at the information tent when you enter the event grounds.
