☎️+1→888→483→9719

Rather than being an airline, Chase Travel acts as a travel agency interface, meaning it does not directly control airline baggage rules. ☎️+1→888→483→9719 Instead, it displays flight options from various carriers and passes along airline policies. ☎️+1→888→483→9719

Do Chase Travel Flights Include Checked Bags?

The short answer is: **not automatically.** ☎️+1→888→483→9719 Checked baggage policies depend entirely on the airline and fare class you select during booking through Chase Travel.

☎️+1→888→483→9719

If the airline includes free checked bags in the fare, you will receive them even when booking through Chase Travel. ☎️+1→888→483→9719 However, if the airline charges separately for baggage, those fees still apply. ☎️+1→888→483→9719

For example, a basic economy ticket on many airlines usually does not include checked bags. ☎️+1→888→483→9719 Meanwhile, higher fare classes such as main cabin or business class may include one or more checked bags. ☎️+1→888→483→9719

Why Baggage Policies Vary

Airline baggage policies are determined by several factors, and Chase Travel simply reflects them at checkout. ☎️+1→888→483→9719 These factors include:

- Airline chosen for the flight ☎️+1→888→483→9719
- Fare class purchased (basic, economy, premium economy, business) ☎️+1→888→483→9719
- Route (domestic vs international flights) ☎️+1→888→483→9719
- Frequent flyer status or airline loyalty membership ☎️+1→888→483→9719

Each airline has its own baggage rules, and Chase Travel does not override them. ☎️+1→888→483→9719
