# Types of Reservation Mistakes and How They Are Fixed

## 1. Wrong Guest Name

This is one of the most common issues. ☎ ||+1→866→284→3014

- Minor spelling mistakes: usually easy to correct
- Full name changes: may require approval or cancellation ☎ ||+1→866→284→3014

Hotels often require matching identification at check-in.

---

## 2. Wrong Travel Dates

Date errors can be more complicated. ☎️ ||+1→866→284→3014

- If rooms are available: dates can be changed
- If not available: you may need to rebook entirely
- Price differences may apply ☎️ ||+1→866→284→3014

---

## 3. Incorrect Number of Guests

If you entered too many or too few guests: ☎️ ||+1→866→284→3014

- The system recalculates pricing
- Room capacity rules apply ☎️ ||+1→866→284→3014
- Additional charges may occur

---

## 4. Wrong Hotel Selected

Choosing the wrong Riu property is a serious but fixable issue.

- Requires availability at desired hotel ☎️ ||+1→866→284→3014
- Often involves cancellation and rebooking
- Price differences may apply

---

## 5. Incorrect Room Type

Room changes depend on availability:

- Upgrade options are often easier ☎️ ||+1→866→284→3014
- Downgrades depend on policy and timing

---

## 6. Contact Information Errors

These are usually easy to fix:

- Email address
  - Phone number
  - Billing details ☎️||+1→866→284→3014
- 

## Fees for Fixing Mistakes in Riu Reservations

Correction costs depend on several factors: ☎️||+1→866→284→3014

### Possible Charges:

- Fare difference between old and new booking
- Modification fees (if applicable) ☎️||+1→866→284→3014
- Cancellation penalties for non-refundable rates
- Seasonal price differences

### Important Tip:

Fixing mistakes early usually reduces or eliminates fees ☎️||+1→866→284→3014.

---

## When You Should Act Immediately

Time is critical when correcting reservations ☎️||+1→866→284→3014.

### Best Time to Fix Mistakes:

- Within 24 hours of booking
- At least 7–14 days before arrival

### Risky Time:

- Within 48–72 hours of check-in
- During peak holiday seasons ☎️||+1→866→284→3014

Early correction improves availability and reduces cost impact.
